WOW! What a weekend! We had record numbers this year and thanks to all of you for attending the 2008 Western Zone Shoot in “windy” Hays, Kansas. Despite our cold north winds on Saturday we had 80 shooters who shot the 200 Singles. 35 shot the 3rd 100, 36 shot the 4th 100 and 30 shot the 5th 100. On Sunday, we had 77 shooters for the Doubles and 99 shooters for the Handicap. Hope all of you enjoyed the shoot as much as we enjoyed having you. Hope to see all of you back next year! Thanks so much!

Please note, if you won your class in-zone and are unable to attend the Kansas State Shoot in June, please notify us. We will then contact the runner up so as the Western Zone is represented at the State Shoot. Congratulations to all the winners. Thanks again!!

***** OUR NEXT SHOOT IS JULY 19th & 20th*****
